Dear Huaxia Parents and Members:

As you may know, Huaxia Chinese School (HXCS) is a Non-Profit, volunteer based organization serving our community. In order to provide better services to its members, especially to students, developing adequate financial resource is a necessity.

We're proud to announce that an Affinity Program with Commerce Bank's has been established. Commerce Bank is currently listed as Number 1 bank on JD Power's website under "Retail Bank Rating". By joining Commerce Bank's Affinity Program, Huaxia members can not only enjoy the top quality banking service and many excellent programs, but also provide HXCS an opportunity to earn rewards for doing business with Commerce Bank. In order to receive any rewards, 350 accounts have to be opened by HXCS members, but there is no cost to HXCS or you. Back in 2001, HXCS had established affinity program with Fleet Bank. By a broad level of participation from members like you, HXCS had received funding from Fleet Bank over the years to support various Huaxia-wide activities, such as Chores Festival and Track & Field Games. Two years ago Bank of America bought out Fleet Bank, but the Fleet Bank affinity program didn't survive.

Two ways to contribute:

- If you currently are a customer of Commerce Bank, simply call your bank up and inform a representative that you are a Huaxia Chinese School member and qualify for Huaxia Chinese School Affinity Program. Or, fill the form below and mail it to Howard Becker of Commerce Bank.
- Choose Commerce Bank as your personal savings bank. Please visit any Commerce Bank Branch; open an account; let the representative know that you are a Huaxia Chinese School member and qualify for Huaxia Chinese School Affinity Program.

With all your continuing support and a possible fund in the future, HXCS would be able to organize extra teacher training and offer additional programs for its students; also Huaxia branch schools might even get a chance to reduce organizational cost.

Shall you have any question, please email to [dshao07052@yahoo.com](mailto:dshao07052@yahoo.com), visit HXCS website at <http://www.hxcs.org> or speak to a Customer Service Representative at a local Commerce Bank Branch.

Thank you in advance for your participation! Huaxia Chinese School, United we stand.

Sincerely,

宋永锄
